Transferee from Golds, Inc. to Spinco, Inc.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Request of Golds, Inc. (the Transferee) whereby the Transferee seeks certain relief in the nature of the approval of an amendment to its Application for a Class E Certificate of Public Convenience and Necessity to reflect a modification to the name appearing on such Application. Specifically, the Transferee requests the approval of the following modification:

FROM: Golds, Inc.
TO: Spinco, Inc.

The Applicant asserts that the relief requested constitutes merely a change in the name appearing on the Application for a Certificate. The Request further indicates that the change of name does not involve a change in ownership, officers, or operation of

the business.

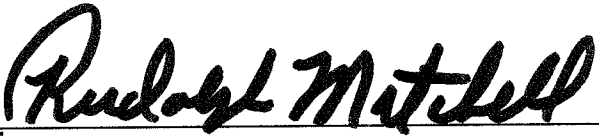

Based upon a thorough review of the matters asserted in the instant Request, the Commission is of the opinion that the relief sought by the Transferee herein should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Request for modification of the Application for a Class E Certificate of Public Convenience and Necessity, by changing the name thereon, be, and hereby is, approved.

2. That this Order shall remain in full force and effect until further Order of the Commission.
